

NEWLY ADOPTED SNOW & ICE REMOVAL ORDINANCES
EFFECTIVE 11/13/2017

a. It shall be unlawful for any person to push or deposit snow or cause snow to be pushed or deposited from his own personal driveway, sidewalks or parking area into the public streets and/or right of way so as to cause a nuisance or obstruction. The Village may cause such deposits of snow to be removed from the street, and the cost of such removal shall be charged to the property owner.

b. The owner, occupant or person in charge of any building fronting upon or adjoining any street and the owner or person in charge of an unoccupied dwelling or lot fronting any street shall clean the sidewalk in front of or adjoining such building or unoccupied lot or dwelling, as the case may be, of snow and ice from such sidewalk within 24 hours after the precipitation that caused the accumulation of such snow and ice on the sidewalks ceases. If the owner or occupant shall fail to clear the snow and ice as required hereunder within 72 hours after the precipitation that caused the accumulation of snow and ice and ceases, the village shall cause the same to be done by removal or by placing sand or a combination thereof and the cost thereof assessed against the property owner. The Village may, but shall not be required to, give notice to the owners of the property before providing for the Village to clear such walks.

c. When ice has formed on any sidewalk that is difficult or impossible to remove, the person referred to in section (b) of this section shall keep the sidewalk sprinkled with salt, sand or any other chemical ice remover.

d. In addition to the cost of removal of snow and/or ice assessed against the land owner, persons violating this section shall pay a forfeiture of One Hundred (\$100.00) plus court costs and fees where applicable, or as may be set forth in the Fine Schedule at Chapter 4 of the Village Ordinances.
