Village of Oostburg Emergency Medical Care Update- Addendum

The Village of Oostburg's contract with Orange Cross Ambulance includes a provision that Orange Cross will provide medical services between 9 PM and 7AM until the Village of Oostburg's 1st responder group is operational. This is expected to take 60 – 90 days. For this interim period Orange Cross will charge the Village by the hour for the service provided. The coverage from 7 AM to 9 PM is of no cost to the Village. The Village is actively pursuing the establishment of the 1st responder group. Many of the current Oostburg Ambulance staff has chosen not to be a part of this 1st responder group for various reasons. Other individuals have stepped forward to volunteer as 1st responders. Equipment is already being gathered and the necessary permits/licenses are also in the works. More updates will follow as they become available.
